About **RELIABLE**

Reliable Institute (unit of Allen Career Institute, Kota) was founded on 8th Feb'2020 with only one motive **SUCCESS**. The institute has a rich pool of faculties from IITs, NITs and other top engineering and technology colleges from India and abroad. Our faculties possess an average rich experience of more than 12 years. The institute was set up with a vision to provide excellent career education to the students with a perfect blend of high quality academics, stable and highly experienced faculty team, positive and conducive environment for learning, regular analysis of student's performance, personal care and support to all the students.

OUR MISSION

The Inception of Reliable Institute kota was done with a Mission of Educating students with Excellence and forming a foundation in such a manner that every student's story becomes a success story, the Euphony of which remains forever. We at Reliable work hard with each and every student to help Unleash their potential and make winning in every competition their Habit.

OUR MANTRA

When we work towards materializing our dream with passion and hard work, **SUCCESS is Assured.**

Why **RELIABLE**

Reliable Institute, a journey towards excellence, is handholding the students to achieve their dream rank in JEE (MAIN & ADVANCED) and guiding them to succeed in exams like KVPY, NTSE and various other National and International level Olympiads.

With our well-versed Academicians along with scientifically designed study material, Reliable aims at giving an extra edge of competition to young dynamic minds. We have a clear vision that every child has different potential and interests, the institute with its' honest efforts is committed to concentrate on students to reach out their desired goal.

Course Features

Pioneering faculty team

Reliable has an experienced and well qualified Faculty team from IITs, NITs and top colleges. Average experience of each faculty member is more than 13 years. The faculties has a vast experience of teaching lakhs of students.

Daily Practice Problems (DPPs)

In addition to chapter modules, DPPs are given to students. These problems need to be solved within a mentioned time interval. It helps in boosting revisions and practice of time management at home.

Parent Teacher and Student Meeting (PTSM)

Through this meeting, parents get feedback about the strength and weaknesses of their ward and teachers get feedback about their teaching. This mutual feedback system helps in improving the quality of academic delivery.

Well researched study material

Study material is provided in the form of chapter modules, which provide sequential theory of a particular chapter with questions at regular intervals. Exercises are given with carefully selected questions of different types and difficulty levels for comprehensive practice.

Regular and periodic assessments

The concepts learnt and practiced by the students are tested through regular tests. This helps students to check their academic performance. These tests are conducted in objective as well as subjective manner periodically and keeps a check of both current as well as previously taught syllabus.

Student care and support

Reliable provides Academic, Career & Psychological counseling for the students. Workshops are conducted from time to time to give insight into various competitive exams. Motivation and guidance session are also given.

SCHOOL INTEGRATED PROGRAM

FOR CLASS VI to X

Pre-Foundation (VI to VIII) & Foundation (IX & X)

The institute focuses on early development of students balancing the coordination between school and coaching. Along with the gradient of hard work and aptitude skills in the present competitive scenario is a necessity to be well prepared in advance. Our vision is to prepare the young minds with a strong foundation and give impetus to their career. This futuristic approach lays a foundation for student's strong present academic session. We believe that students having a solid base usually perform well in all Career Oriented Exams and secure good ranks.
